

BE SMART! BE A PASSENGER!

'DRINKING WITHOUT DRAMAS'

Great Lakes Liquor Accord members are promoting 'BE SMART! BE A PASSENGER!' over the Christmas & New Year period.

The strategy is to make sure patrons get home safely. Any patron who nominates as a designated driver will be issued with a wristband that will entitle them to receive free soft drinks or water at any club, pub or restaurant who display the 'BE SMART! BE A PASSENGER!' sign.
